Concurrence Private Well Sampling letter to Ute Tribe Bloom gk (2 March 2016).KAM.docx

Hi Paul and Elyana –

Paul and I are on the concurrence chain for this letter. It may come around tomorrow afternoon and I think Paul and I will both be teleworking. I've attached my comments on the cover letter and yesterday sent another (hopefully last) round of comments on the enclosure (technical comments). I'm thinking of signing off on this today and bring it down to Ayn so she has it for tomorrow. Would you like me to concur (with these edits) for both of us today? Or I can direct Ayn to Elyana tomorrow?

Thanks, Kimi

Here is the revised version reflecting Shaun's comment. Noah, could you review formatting, please? We are shooting to have the comments ready to go by cob Thursday, so Sandy would be signing for Martin.
